### SATURDAY PRESS. SATURDAY, DECEMBER . ..

Notice of any events of interest transpiring on the other islands will always be thankfully received for publication. Correspondents are requested to append their true names to all communications, not for publication necessarily, but as a guarantee that the writer is acting in good faith.

Advertisements must be sent in by Priday noon. No insection for the current issue can be guaranteed when sent in later. Advertisers will mark the number of insertions desired, from which date they charge; any not so marked will be charged 3 months. months.

Double-column advertisements, cuts and large types will not be admitted into our columns neither will advertisements be admitted into "reading columns, at any price. These rules will be rigidly adhered to.

## LOCAL ITEMS.

The Daily Bulletin of last Saturday issued a double-page supplement.

Colds are quite prevalent in Honolulu at

A portion of Queen street has been cleaned by the road supervisor. It needed it hadly

We extend thanks to the Boys' Reading Room Association for a sample of their "anniversary cake, "

at Koolau, making the landing of freight from coasters difficult, and in places impossible. Owing to the pressure on our columns this week the review of late magazines and other

publications for this issue is deferred till our Mrs. J. D. Strong we learn, will open her class for Drawing on Monday afternoon next,

at the Kindergarten school on Nunanu Avenue, A number of South Sea Island couples have been married at Lihue. . . . The prison at Kapaa

work on the court house. We have received from R. W. Lane Esq., Mexican Consul, a copy of the annual message of President Gonzalez to Congress. It is in pamphlet form and is a lengthy and interesting

We noticed a native policeman assist a lady out of a carriage a few days ago and tie her horse to a hitching post. This is something unusual, and being a step in advance, we score ene for the police.

News from Japan says that they are expecting to arrive there shortly a member of the Hawaiian royal family. It would seem that every Hawaiian who goes abroad is a scion of royal stock.

When the telephone line to Waialua and

Auditor-general J. S. Walker is erecting fine large mansion in place of his former residence in Nauanu valley, of three stories, and liberally supplied with that peculiar feature of island dwellings-verandahs.

The regular monthly meeting of the "Glean ers" will be held this Saturday afternoon, December 2, at half-past two o'clock, in the Ladies parlors of the Fort Street church,

The steamer Kapiolani is to be en ployed in the trade between Mahukona and Kona on Hawaii. She will be able to carry supplies for the various landings sent from Honolulu via Mahukona. She is the smallest steamer engaged in the local carrying trade.

Captain George W. Jenks of the bark D. C. Murray arrived by the Zealandia last Monday, The Murray is expected in a few days. Th Captain was laid up in the dry-dock in 'Frisco when his vessel left, consequently took the steamer to meet her here.

The U. S. S. Alaska, which has been lying in our port for nearly three months, anchored outside the reef last Saturday awaiting the arrival of the mail steamer and on Tuesday eamed away. After passing beyond Diamon Head she returned to see if any of the desert ers who had left the ship had been caught They did not secure any, however, and sailed away again in the afternoon. Our port is thus left again without a man-of-war of any nation but the U. S. S. Ruer, from South America may be expected in the course of a few weeks

The thanks of the people of Honolulu are the lightning was unusually severe. At the due Mr. John Cummins of Waimanalo for in- central office of the telephone company there forming the central office of the telephone were seven transmitters found out of repair and company of the arrival of the mail steamers the main line was not in working order. Sev from California, from which place they can be eral posts were split by lightning. During the seen much sooner than at Diamond Head. night there was a report like percussion caps. He has a tower some forty or fifty feet high being discharged at the office. It seemed as steamer is expected a lookout is stationed there the office. It is the most severe storm that sary preparations for receiving the steamers eral days to repair damages to transmitters may now be made considerably in advance of and the main line...Rev. Titus Coan is her arrival. On Tuesday, November 22nd,

On last Monday afternoon and evening the at Hilo. He had not seen the inside of air in aid of St. Louis College was held at it since he was taken ill. ... Mauna Kea is sic Hall and proved a success finan-It was well attended during the day, night it seemed as if there was scarcely ng floor was still in its place, and around tain.... Both lakes at Kilauen are said to b edge of this was arranged the various presided over by a number of laties, and native, at which were sold all kinds of fancy and useful articles of Hawaiian and foreign make. The back part of the stag band was stationed in the gallery and wever, in such a confined space, was too loud to be enjoyable. The affair passed off pleasantly, and the man which followed it on Tuesday was also a success.

Petitions are being circulated for the widen ng of portions of Alakea and Merchant streets.

Our thanks are due to W. C. Parke and H. Paty, Esqs., for news favors from the East

spected party is under arrest awaiting trial. The army was out on the 28th, but we failed see any improvement in their marching; and their actions when at "parade rest would make any old veteran "heave the gorge.

Mexico Bill rode about the streets on horseback last Sunday and gave himself away badly. He is evidently a stranger to the saddle. He sailed away in the Irnan on Thursday for San

The wooden building on King street, posite the Bethel Church, which has just been torn down, is to be replaced by a two-story brick building to be erected by Mr. Walker, the builder, to be used for stores.

The Botton Daily Herald of the 6th ultimo, ontains an amusing "Book of Chronicles of the Mighty and Agile Benjamin of Lock" in which is shown the various efforts of Ben. Early in the week a heavy sea was running Butler to gain the Governorship of the Bay State, in which, like all effusions of this kind, there is much more truth than poetry.

> Several new members are to be received into Fort street church, Sunday morning, and the ordinances of Infant Baptism and the Lord's Supper will be administered. In the evening, Mr. Cruzan will deliver the first of a series of sermons on the fundamental truths of Christianity. Theme, "What is back of the Seen? Bioplasm, Law, The Unknowable or God?"

A fracas occurred last night between two colored men in the locality known as Fowler's has been completed, and the carpenters are at yard, wherein a razor was used pretty freely by one George Davis, who was locked up on a charge of assault with a deadly weapon. The trouble is said to have originated through gambling. A message from the station house this morning reports the wounded man to be

The following is the programme for the Band concert at Emma Square at 4.30 P. M. to-day.

March Defilir
Overture Frau Meisterin
Selection Stradella
Craile Song, (new)
Waltz Thine alone, (new)
Polka The Little Trumpeter, (new) The Band will give an extra concert on Mon day evening, December 4th, at Emma Square,

The N. V. Daily Tribune of the 10th ultimo is devoted very largely to the description Waianae are completed, and all the orders in of the brilliant gathering at the complimentary and around Honolulu attended to, there will dinner to Herbert Spencer at Delmonico's, in be nearly three hundred connections with the that city, on the eve of his return to England, presided over by the Hon, Wm. M. Evarts. who made the address of welcome. Mr. Spencer was greeted in the heartiest manner and responded in a speech in which he dwelt on Speeches were also made by Prof. Sumner of Yale College, Prof. Marsh, Carl Schurz, John Fiske and Henry Ward Beecher, which are given in full, as also a letter from Dr. O. W. Holmes. The list of guests embraced the Youman's, Appleton's, Dana's, Field's, Drs. Wynkoop, Hammond, Henry, Alexander, Scholder, Barker, Sauborn, Hurd, Revs. Lv. Fiske and Henry Ward Beecher, which are Scudder, Barker, Sauborn, Hurd, Revs. Ly- no way brought him into relation to defendman Abbott, Newton, Morgan, Savage, Sir Richard Temple, and over one hundred others

guished guest.

The literary and musical entertainment given by the Library and Reading Room Associ-Mr. William G. Irwin, in company with ation at their hall last Tuesday evening, was Samuel Parker—who is spoken of as an attache well attended and passed off very pleasantly. of King Kalakaua-has gone East, and has The opening piece was a piano duet by the other cities. His remarks are, of course, made Scott, W. Jones and J. F. Brown took part in the subject of criticism in the columns of the the scenes from "Two Gentlemen of Verona." A vocal solo, which was to have been sung by Mrs. Lawlor, was omitted, as that lady was un avoidably absent. Rev. Mr. Wallace read some humorous sketches which convulsed the audience with laughter. The second part began with an instrumental duet by Miss Castle and Mr. Yarndley. "Round Delia's Basket" was the title of an amusing little dialogue which was presented to perfection by Mrs. E. P. Adams, Miss L. Green and Mr. A. T. Atkin son. A vocal solo by Miss Berenice Parke was received with applause. The last number on the programme, and not the least amusing, was the reading of Mark Twain's sketch of Wolf." Notwithstanding the short time for preparation, the entertainment was a success, and we hope, will be followed by more of the

There has been much thunder and lightning and rain at Hilo for several days ; on 22nd inst. though all the lightning had concentrated on has occurred in many years. It will take sevcovered on its entire top with snow, and have the pleasure of seeing the grand old moun-

# "NICE STATEMENTS."

HONOLULU, Nov. 29, 1882, EDITOR PRESS: In last Monday's issue of the 'Titer the slippery President of the Board used for the refreshment tables, which of Health comes out with the following : "By order of the Board of Health, careful

and thorough research is being made in the dis-trict of Honolulu to ascertain the exact number of recognised lepers, their race, sex, age, information may be obtained, not only for the the information of the public."

The anniversary of the recognition of Ha-waiian independence, Tilesday, the 28th ult., was observed in the usual unostentatious man-lepers have had sufficient time to profit by the

A DECISION REVIEWED.

AUGUST DREIER VS. KUAA-OCTOBER TERM

SUPREME COURT, 1882. The principle on which defendant relied in his case, be it said with the greatest deference to the learned justices who decided against The sum of \$150 was stolen from a Mr. him, seems to be a sound one. It was that chmidt at Kaneohe last Wednesday. The the personal relation between master and servant, which is one of the essentials of a labor contract, is an inviolable relation, and cannot be lawfully set aside by either party. The master can no more substitute a new man in his place than the servant can in his. Should either be guilty of a breach of contract

> laid on this personal relation between the partion or, Kalapu, 3 H. R., p. 761. The case in fact hinges upon that point. The Court there says, in effect, that one cannot be a man er but by the consent of the servant, duly exmand." Defendant is to obey. These two 1877, in a battle with the Nez Perces India mand." Defendant is to obey. These two only have or can have part or lot in the contract. Their mutual obligation requires mutual performance, and either of them in neglicating or refusing due performance breaks the contract at his peril. Defendant alleged in the lower courts that plaintiff had ordered him to work for the Koloa Sugar Company, and he had so done for about nine months, taking his color regulation by the work of the command being killed and wounded." orders, receiving his wages, etc., from them. orders, receiving his wages, etc., from them.
>
> During all this time plaintiff had ceased to act as his master, did not direct, pay or lodge him, or look after him in any way whatever.
>
> (Plaintiff admitted all this.) While thus situ-(Plaintiff add not waive any rights he may have had, not being sufficiently informed as to what they were. But he used all possible diligence in ascertaining and asserting them, and refused to work for the Koloa sugar Company as soon as he learned that make interesting reading and at the same time

How the Court reconciles its order, in the from among the many admirers of the distinpresent case, that the time during which defendant worked at Koloa Plantation shall be counted on his contract (with plaintiff) with its former decision that his work there was not for plaintiff—quære? PACTUM.

> HONOLULU, Nov. 27, 1882.
>
> EDITOR PRESS:—The Gazette's article on leprosy, according to the comment in the government organ of the 23d inst., "was a nice statement for the pretentious organ of the planters to send abroad by the steamer depart. HONOLULU, Nov. 27, 1882. planters to send abroad by the steamer depart-ing yesterday. How many visitors and how the Dutch so far as the mouth of the Yenesei,

> strives to be sarcastic in the above quotation. trading ship was the Louise. By the most Could anything be more absurd? The stupidist recent letters from Hammerfest, we regret to Could anything be more absurd? The stupidist jack or the veriest fool will have wit enough to see that the present alarming condition of leprosy is wholly due to the incompetency of the Board of Health, who, for many months, have trifled with the dread malady under the mews that both the Dijmphna and the Varan have trifled with the dread malady under the supremely stupid idea (advanced by a new comer) that the disease, which transforms the head into an object in appearance resembling a baked apple, was not leprosy; was not contagious; that it might yield to treatment, or at least could be held in check for a while, thus permitting the doomed mortal to mix with his friends and the public till his condition.
>
> Dijmphina left Tromsoe on the 2d of August and the 25th of July. Both these ships, with the Louise in company, attempted to force a passage through the Matochkin, Nova Zembla, and failing in this, they steamed round the south of the island and entered the Kara Sea. The Louise now reports that they were all beset in the ice of the Kara Sea some eighty miles from the continent, and for two days the Louise, which was not so closely surrounded as her commandors, attempted to render all assistences.

to our shores," let us be able to honestly welcome them with the assurance that the lepers are confined on another island.

Strangers do not dread the small-pox and

more than ourselves, yet we feel that we could find very preference to being within ten feet of a leper. of Health caused the prompt arrest of all persons suspected of being afflicted with leprosy and comfortable quarters were provided by the government for the poor unfortunates. Bu how is it now? Does that hoary-headed sey Honolulu of the dread scourge? No! Does he dare arrest a leper? I think not, for Hono lulu would not present such a miserable show

by the Gazette was gospel truth, leaving no apital come to our shores by false representa-

LATEST FOREIGN NEWS.

15th. He confessed giving the order to fire Alexandria after having received a peremptory command from Arabi Pasha, and as the condecommand from Arabi Pasha, and as the conflagration did not at first appear to be general,
Arabi sent orders through Mahmoud to fire
more places. Sulciman also states that Arabi
Pasha, on the 12th of July, ordered them to
take soldiers to Adamleh Palace and munder
the Khedives. While on the road to execute
the order he met the President of the Chamber
of Notables, who prevailed on him to return
a and remonstrate with Arabi Pasha. Noari
Bey, the officer who had charge of the troops Bey, the officer who had charge of the t at Ramleh Palace, corroborates Sulei

THE LIVE STOCK OF THE WORLD.-Th United States has 38,000,000, cattle, India 30,000,000 and Russia 29,000,000. Of horses in this respect he would be liable to all the legal consequences.

"A contract is a mutual promise upon law ful consideration, which binds the parties to a performance. Mutuality is essential. A labor there with 36,000,000, but she leads the world ni swine having 48,000,000. It is not generally now mutual the goat is an important live stock thought for the leads the world now mutual the goat is an important live stock.

Kussia nas 19,000,000. Australia 19,000,000. Australia 20,000 and Russia 63,000,000.

A GENUINE LIST—Awaiting employment for the list here with 36,000,000, but she leads the world ni swine having 48,000,000. It is not generally have generally been she with 36,000,000, and Russia 63,000,000.

A GENUINE LIST—Awaiting employment for the world ni swine having 48,000,000. It is not generally be leads the world ni swine having 48,000,000. It is not generally be leads the world ni swine having 48,000,000. It is not generally be leads the world ni swine having 48,000,000. The control of t that it is strictly personal. Neither party can assign his interest in it to another. It terminates on the death of either. Much stress was of nations on the two most impartant articles of flesh food, cattle and hogs, second in horses

THE GRANITE MONUMENT TO THE DEAD ter but by the consent of the servant, duly expressed in a contract between them. Under the Government to be placed on the battlefield 

AT BIG HOLE.—The monument ordered by the Government to be placed on the battlefield. the common law covenants for personal service at Big Hole, M.T., where General Gibbon fought not in general be specifically enforced. Under our Master and Servant Act labor control on both sides.

The Government to be placed on the battleness at Big Hole, M.T., where General Gibbon fought the Nez Perces, under Chief Joseph, August 7, 1877, is in three sections. The base is about 8x8 feet in size and two feet thick. Above this rises a solid block seven and one-half They generally provide that the master may feet square and four feet high. This is sur-also direct the servant, through his agent or mounted by a shaft seven feet square at the overseer. In the contract between the parties in this case the personnel is just as much a square and then pointed, this shaft being five and one-half feet in height. Upon one side of the part of it as the labor, the wages and the lodgings. Plaintiff is to be master; defendant, the words: "Erected by the United States." On servant. Plaintiff, by himself, his agent, or the reverse side is incribed the following: "To the officers and soldiers of the Army, and citizens of Montana, who fell at Big Hole, August 7.

plaintiff's copartnership interest therein was only a nominal one. Defendant claimed that plaintiff, by dismissing him to the Koloa Sugar Company in the manner above, and entirely neglecting and abandoning him for a long time, had violated his personal obligations as master, and committed a breach of contract.

It would seem difficult to avoid this conclusion. The supreme court held May 30, 1882, rod that budded, and the tables of the coverage and responded in a speech in which he dwelt on in the case of Dreier rs. Kuaa et al. that the the tendency to overwork he found in America. Koloa Sugar Company were "not the agents, verse 2 of the same chapter, Wherein was the speeches were also made by Prof. Sumper of company were "not the agents, and the table, and the shew-bread." overseers or representatives of the original master" (this plaintiff). They must have peculiar about the construction of a pot, a rod and tables that they unitedly should be singular,

ARCTIC EXPEDITION MISFOR-

The interest which has been taken recently in Arctic matters induced, this year, certain i in Arctic matters induced, this year, certain influential people in Dennart to organize and
equip an expedition, under the command of
Lieutenant Hoygaard, who accompanied Proflessor Nordenskjold in his remarkable voyage
in the Vega, to attempt to reach a high northern latitude by way of the eastern coast of
Franz Losef Land and seas north of Siberia. In connection with the international pole memuch capital will such statements attract to our shores?"

It is curious how the government organ strives to be sarcastic in the above quotation. The same that the distribution is trading ship was the Louise. By the most he Board of Fleath, who, for hand make trifled with the dread malady under the were beset in the ice. It appears that the supremely stupid idea (advanced by a new Dijmphna left Tromsoe on the 2d of August and the Varna on the 25th of July. Both these his friends and the public till his condition became so disgusting that he voluntarily goes into exile.

For 1,800 years science has wrestled with the horrible malady without, as yet, effecting a single well-authenticated cure; therefore I may be pardoned for expressing a desire that at least lepers be not allowed to drive public carriages and that they be removed from the streets of Honolulu. If we expect "visitors to our shores," let us be able to honestly well.
